

Lesson 2

GOD CREATED EVERYTHING

The broad sky
The sun that gives light
The stars that twinkle
The moon shedding bright light
The earth that is productive and yielding
Animals, birds, trees, seas, rivers, fishes.....
God created everything.

Let us colour
these things created by God

Please Repeat

In the beginning God created heaven
and earth and everything in it.

Let us pray

O God, all powerful
joining with all your creation
we praise you.

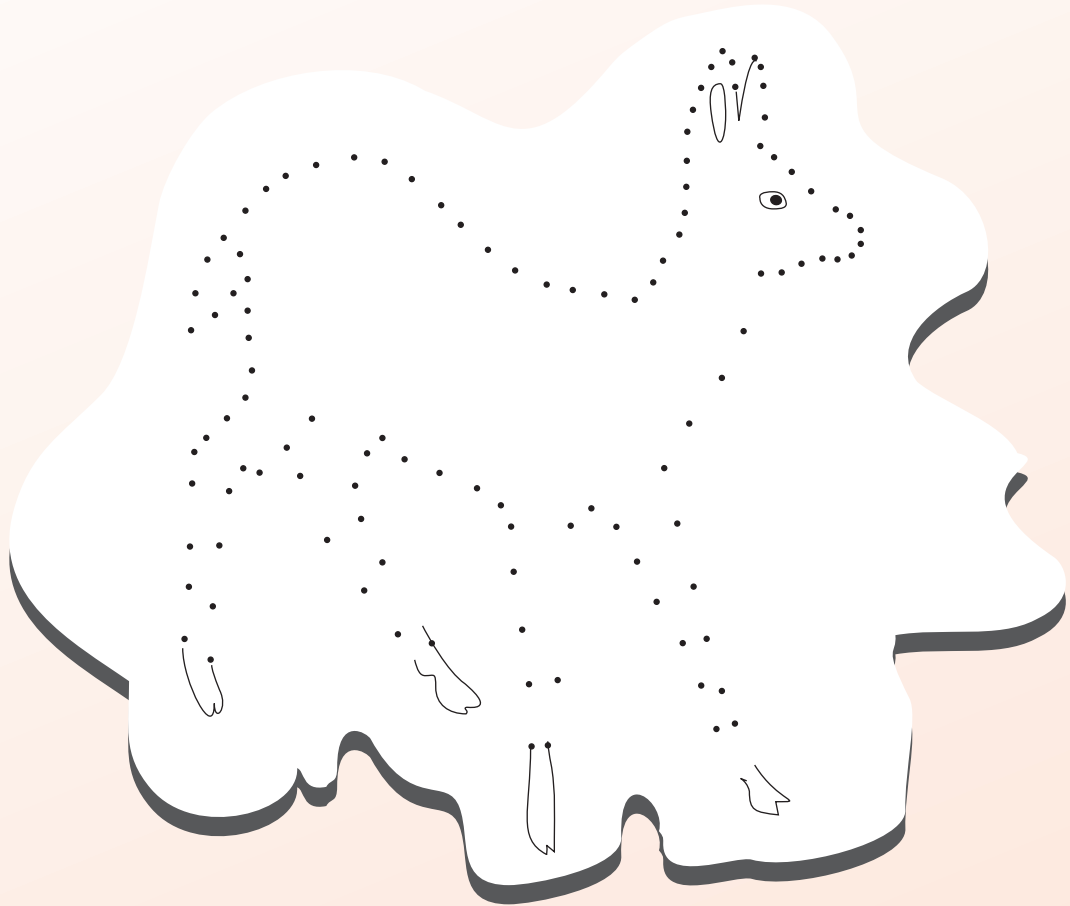

Let us sing

Great and mighty is our God,
Maker of Heav'n and earth;
All creation bless the Lord,
For great and mighty is He.

**A beautiful animal God created for us is
hidden in these dots.**

Connect the dots and find out the animal and colour it

Let us memorise

**“In the beginning when God created
the heavens and the earth”**

(Genesis 1:1)
