

GOD IS OUR FATHER

God protects everything He created;
He provides for them.

God feeds birds, animals and fishes; God lets the plants grow.
He protects and provides for human beings.

**Can you help this man and other creatures
to reach their own homes?**

Let us sing

God always cares for me, Watches daily over me;
Under His wings of love, God shelters me.

When I don't know the way, whether I'm sad or
happy; Under His wings of love, God shelters me.

God is the Father of everyone.
God is my Father.
He protects me with His powerful hands.
God has entrusted a guardian angel
to safeguard me.

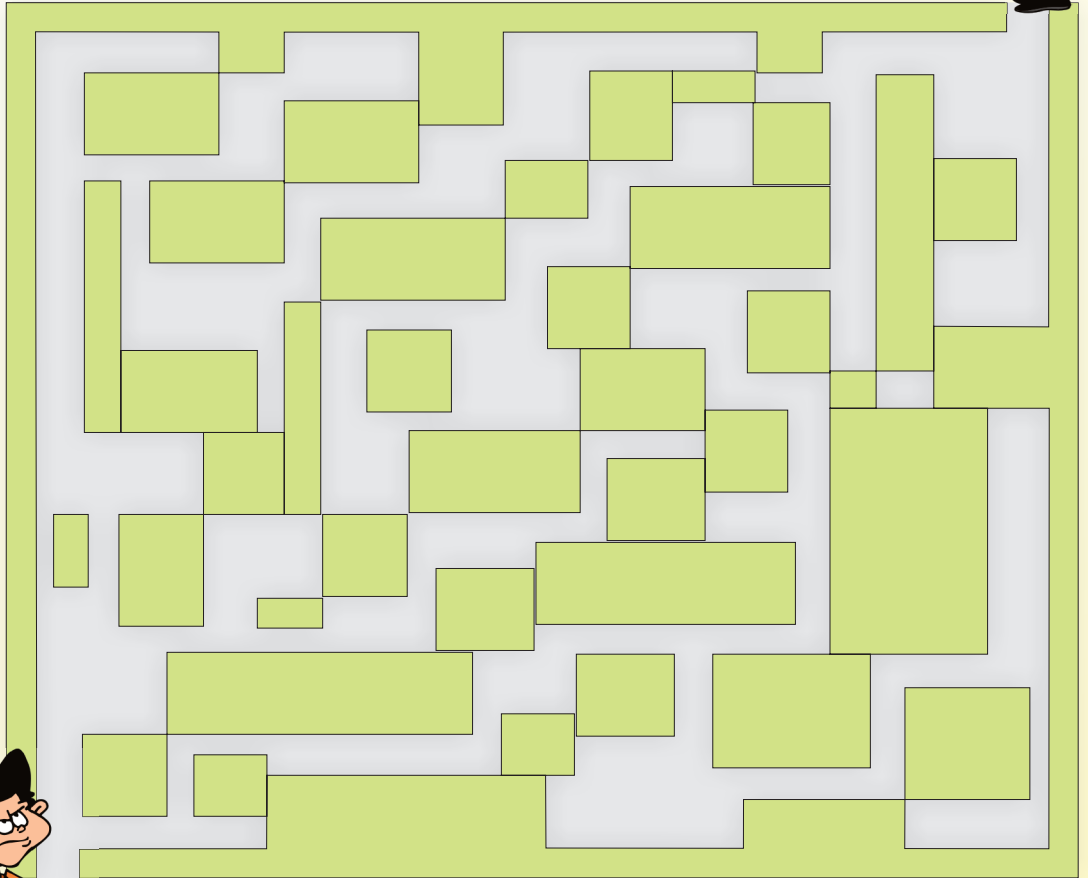

Let us pray

My dear guardian angel,
keep me always under your wings.

**Run fast to reach the father
and hold his hand**

Take care that you do not stumble on the way.

Let us memorise

“He will cover you with his pinions,
and under his wings you will find refuge;”
(Psalm 91:4)
