

Lesson Title: God Created Everything!

Objective:

To help children understand that God created everything around them and to instill a sense of awe/wow, wonder and gratitude for God's creation.

Introduction:

*** (Ice breaking)*

Asking them about what they think about the sun, the moon, the stars, animals, plants, and people whom they see daily.

Teaching Points to be covered:

Creation Story: Narrating the creation story from Genesis in simple language. Emphasize how God spoke and created different things like light, the sky, land, plants, animals, and people.

Appreciating Creation: Talking about the beauty and diversity of God's creation and to see the beauty in everything. *(Encourage children to express what they find beautiful and fascinating.)*

Taking Care of Creation: Teaching children about stewardship and the importance of taking care of the world God created. And how we are responsible and accountable for taking caring of mother earth.

Bible Verse: Genesis 1:1

Activities:

Complete the activities given in the text book

An act/deed of care: Asking the children to do an act of care. *(eg. watering the plants, feeding the birds or stray animals etc.)*

Habit formation: Asking the Children to daily keep their surroundings neat and clean, helping parents to clean the house,

Conclusion:

Wrap up the lesson by summarizing what the children have learned about God as the Creator of everything. Remind them to continue marvelling at the beauty of creation and to be good stewards of the world God has given us.
