Lesson Plan: New Orientations of the Apostolic Activities

Objective:

1. To understand the role of the Church in continuing Jesus' mission and
2. To explore practical ways in which individuals can actively participate in apostolic activities.

Starter

Begin by asking students to reflect on the meaning of the verse "As the Father has sent me, so I send you" (John 20:21). Discuss what it means for the disciples then and for believers today to be sent out to proclaim the Good News.

OR

Show a short video clip or images depicting various social issues such as poverty, inequality, environmental degradation, or injustice. Then, lead a brief discussion asking students how they feel when they see these images and what they think the Church's response should be to such issues based on the teachings of Jesus. This can help to create empathy and set the stage for exploring the Church's role in addressing contemporary challenges.
