

SUMMIT SEEKERS-
BOOK 12 CHAPTER 10
CHRISTIAN LIFE AND MASS MEDIA

Objective:

- ✓ To understand power of media and goals of media.
- ✓ To understand how mass media influence negatively in our lives.
- ✓ How to evaluate media
- ✓ How media can be made a tool to nourish Christian Life

Starter:

Teacher can introduce the topic by

- What is mass media
- What are included under mass media
- What is the importance of mass media
- In present scenario, how does mass media influence us.

The following can be the answers to above questions.

- Mass media means technology intended to reach mass audience. Primary means of communication to reach vast majority of general audience. It stores vast information.
- All these information is consolidated and available on a single device that is your smart phone.
- If you want to listen to a song or watch a movie or know current news or know a cricket match update etc media provides you all these details on your finger tip.
- Mass media has become co-traveller of life.
- Even people use media positively by utilising it for work from home, study from home, preparation of interviews or major exams etc by using mass media tools.

Presentation of Topic: (15min)

To discuss about following points:

- Fascinating power of mass media.
- Goals of Mass Media
- Negative Influence of Media
- How to evaluate Mass media
- Media and social commitments
- How to use media

Habit Formation:

- ✓ Monitor your screen time
- ✓ Monitor the content you view in media(only good content to be viewed or read).
- ✓ Monitor the content you upload in the media, it should be useful

Bible Verse: Mark 16:15

Group Activity:

- ✓ Each student, make a short video on a Bible verse and the group may edit it together and circulate in your parish group. or
- ✓ Make a group discussion on topic , “Media controls you. How can you prevent it in your life.”
