

GOD WHO GIVES LIFE

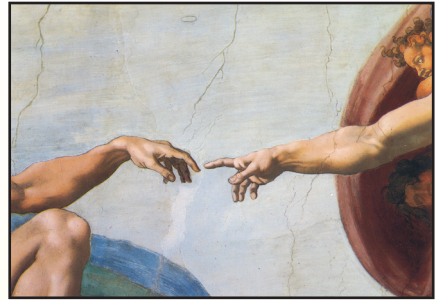

God first created heaven and earth, Then He created all other creatures.

Let us look at the nature. Seeds sprout, plants grow; they blossom and bear fruit. Animals are born, they move, grow and multiply.

We too have life. We are born, we eat, we play, we grow, we can work, laugh and think. God who created everything, created us also.

“Then the LORD God formed man from the dust of the ground, and breathed into his nostrils the breath of life; and the man became a living being” (Genesis 2:7).

We can breathe, God gave us air and the ability to breathe. If there is no air in the atmosphere, we will not be able to breathe. If we do not get breath, we will die.

It is God who gives us life.
God gave us life-to grow in love,
to do good in this world and
thus to attain heaven.

God let our first parents Adam and Eve to live in the garden of Eden. There were various types of plants and trees in it. It was also blessed with different kinds of birds and animals and other creatures.

Adam liked all these. He named them all. Adam and Eve listened to the songs of the birds, ate the fruit of various trees and lived happily in the garden of Eden.

What a beautiful place was the garden of Eden! Adam and Eve lived there in love. They lived with God in happiness. God desires that man lives in this happiness. To live with God is the greatest happiness of man.

If we live with God
